## OTHER NEWS AND VIEWS

At our October 1<sup>st</sup> meeting, we heard from Mr.

Tony Hart and PP Laurette Tully

Tony Hart who spoke about the Cuyahoga Valley Railroad. Tony has volunteered his time and energy for several years on the historic rail line. Using slides, he informed members about the special events they hold including beer and

wine trips, fall foliage days, and, for the youngsters, Thomas the Train. Thank you Tony for sharing your enthusiasm for this local gem.

Our new president, officers, and Board were installed at our October 8<sup>th</sup> meeting. Congratulations to President Gretchen Schuler, who takes

PP Laurette & President Gretchen

the helm for a second time, President Elect Frank Miller III, Vice President Mary Biss, and incoming Board members Dave Dillon, Barb Schirhart, and Jim Yager, who join current Board members Stan Ball,

Duane Limpert, and Howard Luke. Treasurer Don Machovina and Secretary Ken Neuzil “re-upped” in their respective positions. Thank you Laurette Tully for a great year as our 2017-2018 President.

A Happy Table at our Installation

The installation was conducted by past Lt. Governor of Division 14, Foster McMasters. Thank you Foster for officiating.

It was also at this meeting that the club honored two members with the Legion of Honor Award. Congratulations to Stan Ball (25 years) and Jack Boss (30 years) as Kiwanis members. We honored fourteen members for perfect attendance, as well. Leading this pack was Glenn Knight with

30 years of perfect attendance!

Ken Neuzil attended two meetings on the week of October 8<sup>th</sup>, both of which had to do with the club’s recent activities. The Pumpkinville meeting was on the 9<sup>th</sup>. The Olmsted Historical Society expressed their gratitude for the help the NOHS Key Club provided with the children’s games and were glad to hear that the club’s corn roast had been a success. The meeting on the 11<sup>th</sup> was at Fat Head’s Brewery regarding the inaugural Fat Head’s 5K held on August 25<sup>th</sup>. The final tally shows a total of 922 people signed up for the race/walk and the club netting \$7,000, all of which will be awarded in scholarships in May 2019.

Our monthly Board meeting was conducted on October 15<sup>th</sup>. Minutes of that meeting have been distributed to members under a separate cover. Due to unusual circumstances, the Oxcart Food Pantry collection was postponed until the following week.

The following members enjoyed breakfast at the new Canary’s, after they attended the Key Club meeting on the morning of October 18<sup>th</sup>: Tom Herbster, Glenn Knight, Howard Luke, Ken Neuzil, and Jim Yager. Key Club members were thanked for their help at Pumpkinville on September 30<sup>th</sup> at Frostville. They have two Kiwanis/Key Club events coming up in November – leaf-raking on the 10<sup>th</sup> and the Christmas Child Project on the 19<sup>th</sup>.

Later that evening, members Tom Herbster, Glenn Knight, Ken Neuzil, and Laurette Tully joined President Gretchen Schuler at the Division 14 meeting at Porter Library.

The club held its annual clambake on the evening of the 22<sup>nd</sup> with a good turnout. Members of the Westlake and Berea Kiwanis clubs joined us for a delicious meal. Thank you Mae O’Grady and your staff for providing a great clambake. No one walked away hungry, that’s for sure! We passed the basket around for a collection to support the Oxcart Food Pantry and we hit an all-time high with \$75 to donate. Thank all of you who contributed to this worthy cause.

On the evening of October 27<sup>th</sup>, Rose Serraglio and her sisters sponsored the Halloween Party at St. Clarence Church in support of the Make-a-Wish Foundation. Rose has been coordinating this event for many years and through her efforts, thousands of dollars have been donated to the foundation. Thank you Rose for all your hard

(Continued from page 2)

work!

Our final meeting of the month was dedicated to home safety, especially injuries resulting from falling. Dr. Jeff Lehner from O'Neill Health Care shared two sets of information. First were the statistics on falling, e.g., the high percentage of folks over 65 who fall each year and the cost of a hospital stay and rehab, also high. The second part of his talk

President Gretchen & Dr. Jeff

concerned common sense ways to prevent falls both in and out of the home. These include clearing pathways around the house and installing grab bars in the bathroom. Thank you Jeff for joining us with an important message.

NOVEMBER BIRTHDAYS

November 2 ----- Terry Groden

November 20 ----- George Prok

AND FINALLY.....

From Glenn Knight

**THIS IS GREAT!!! This took a lot of work to put together!!! Mmm**

1. The bandage was wound around the wound.
2. The farm was used to produce produce.
3. The dump was so full that it had to refuse more refuse.
4. We must polish the Polish furniture.
5. He could lead if he would get the lead out.
6. The soldier decided to desert his dessert in the desert.
7. Since there is no time like the present, he thought it was time to present the present.
8. A bass was painted on the head of the bass drum.
9. When shot at, the dove dove into the bushes.
10. I did not object to the object.

11. The insurance was invalid for the invalid.
12. There was a row among the oarsmen about how to row.
13. They were too close to the door to close it.
14. The buck does funny things when the does are present.
15. A seamstress and a sewer fell down into a sewer line.
16. To help with planting, the farmer taught his sow to sow.
17. The wind was too strong to wind the sail.
18. Upon seeing the tear in the painting I shed a tear.
19. I had to subject the subject to a series of tests.
20. How can I intimate this to my most intimate friend?
21. Let's face it - English is a crazy language. There is no egg in eggplant, nor ham in hamburger; neither apple nor pine in pineapple. English muffins weren't invented in England or French fries in France. Sweetmeats are candies while sweetbreads, which aren't sweet, are meat. We take English for granted. But if we explore its paradoxes, we find that quicksand can work slowly, boxing rings are square and a guinea pig is neither from Guinea nor is it a pig.
22. And why is it that writers write but fingers don't fing, grocers don't groce and hammers don't ham? If the plural of tooth is teeth, why isn't the plural of booth, beeth? One goose, 2 geese. So one moose, 2 meese? One index, 2 indices? Doesn't it seem crazy that you can make amends but not one amend? If you have a bunch of odds and ends and get rid of all but one of them, what do you call it?
23. If teachers taught, why didn't preachers praught? If a vegetarian eats vegetables, what does a humanitarian eat? Sometimes I think all the English speakers should be committed to an asylum for the verbally insane. In what language do people recite at a play and play at a recital? Ship by truck and send cargo by ship? Have noses that run and feet that smell?
